

Merry Christmas and a Happy New Year

*Neapolitanische Barockkrippe

*Dear friends of the Salvator-Missionen,
On Christmas, we celebrate and pray, that "the Word became flesh and made his dwelling among us." (John 1:14). As you can see on the attached picture, which was taken in the baroque church next to our convent in Maria Steinbach, Bavaria, the birth of Jesus is transferred into the daily life and the surroundings of the people. The spectator can see the following: through Jesus Christ God became human for him and for everybody. Jesus Christ himself is the one, who guides us on the way to personhood.*

This crib encourages me to discover our convent in Maria Steinbach more and more as a place, where God is waiting for me, and at the same time not to forget that I met Him before in many places. Throughout the years of being in contact with you, I appreciate our relationship as God's blessing and present.

I wish you a Merry Christmas, a Happy New Year and God's blessings for your ways.

Ihr P. Georg Fichtl
